TASTING PERMIT – GENERAL CONTROL PLAN FORM

Licensee Name _____

* Reference **§44-3-301(10), C.R.S.**

1. Attach map(s) of the premise defining:
 - a. Secured storage location of open containers following Tastings
 Check box if unconsumed sample containers will be destroyed, rather than stored.
 - b. Location of controlled Tasting area(s) on premise

2. How will the licensee verify the age of those served?

3. How will the licensee ensure no patron leaves the premise with an unconsumed sample?

4. How will the licensee track the number of sample-consumptions per customer?

5. How will the licensee control the amount of liquor served per sample?

6. Any additional information that may be relevant for consideration:

Submit the completed General Control Plan Form or a comparable written control plan, and any other relevant documentation, with the Tasting Permit Application.
