Colorado State Board of Land Commissioners Expiring Agriculture, Recreation and/or Other Surface Leases

Quarter: Jul, Aug, Sep 2027 County: Fremont

Existing Leases for the State Trust Lands described below will expire on the dates indicated.
Any parties interested in applying for an agriculture and/or recreational lease on the state trust lands described below (shown in township range section) should contact the State Land Board District Office to obtain an application packet. The packet will include detailed instructions about participants in the leasing process.
The Colorado State Board of Land Commissioners will not be obligated to consider any application made for any land unless it is received 180 days prior to the expiration of the existing lease. There may be approved reimbursable improvements on the property that are owned by the present lessee. Applicants interested in information concerning any such improvements should contact the District Office listed: **South Central : (719) 543-7403**.
